News From the CEO

Every day there is something new happening at our Arboretum, including the ever changing spectacular displays of our unique plant collections, new staff members and new positions, new educational programs, sculpture additions, grant proposals, and new collaborations with other educational and botanical organizations near and far.

Last month I mentioned exciting staff developments. This continues, for now we are seeking a Superintendent and a Director of Development. These two positions will further propel The Arboretum into the new millennium (by the way...good health and happiness to all).

The Superintendent, who will also further unify and develop our Arboretum-wide staff and expand and enhance our plant displays, will handle the day-to-day operations of The Arboretum.

The Director of Development will be intimately involved with the marketing, fund raising, and membership programs that are vital to successfully support and implement our education mission and the near and future goals for The Arboretum.

The David Rogers' Big Bugs exhibition has come to a close. The final tallies are not complete, as of this printing, but everything is very positive. Preliminary reports indicate that during the three and one-half months of this exhibit, with its associated activities, overall attendance has increased over 40%, gift shop sales have increased over 75% and membership has increased more than 20%.

Congratulations to one and all. We all are obviously showing great support of these activities. All staff and volunteers have done great work. Custom Marketing Services, Minnie Scott and Susan Dawson, have done wonders with our public relations, marketing and media coverage. What can I say about everyone's efforts, but Wow!

At this date you should all have received our Annual Report 2000 and our most vital Annual Appeal. These documents reflect a very successful transition time for The Arboretum. Our community services have increased substantially with over a 50% increase in educational offerings, and events and attendance increased by 13% this past fiscal year. We are all hard at work to offer more services, more beauty, more educational opportunities and

more fun at The Arboretum. These aggressive efforts require staff and volunteer time & dedication, trustees' intimate involvement in policy development, and financial input from all. So please, appreciate our developments and support our future. Thank you and I look forward to seeing you at The Arboretum in 2001. In fact, I'd be honored if you would stop by my office, off the Rotunda Entrance, to say hello when you are visiting The Arboretum.

Dear Friends of The Arboretum,

By now you have received our annual appeal letter and the accompanying annual report.

That report - highlighting important things happening last year and planned for this year and beyond — shows that we have a lot to do at The Arboretum. We will welcome and appreciate your continuing interest, involvement and financial support.

On behalf of our board of trustees, I send best wishes for the holidays and the New Year.

Thank you,
George A. Brumder

THE ARBORETUM STAFF

Peter C. Atkins, *CEO*

Nadia Balaz, *Special Events Coordinator*

Clayton Ballhorn, *Grounds Maintenance*

A very Big "Big Bugs" Thank You!

David Rogers' "BIG BUGS" invaded… delighted young and old alike…and now have departed. This exhibit was an incredible undertaking and was an exceptional success for The Arboretum. Its success can be attributed to, not only the unique and charming gigantic insect sculptures themselves along with the dedicated hard working Arboretum staff, but most importantly, the hundreds of Los Vols volunteers and the thousands of hours they gladly contributed to making the "BIG BUGS" exhibit fun for all.

Many thanks to Gwen Hartley, Special Projects Manager, and Sylvia Guerrero, Director Special Events, for keeping the "BIG BUGS" exhibit on

MANY MANY "BIG BUGS" THANKS to all the Los Vols who contributed their time and service to help us out at these "BIG BUGS" venues:

- Membership Desk
- Sunday Family Fun Days including help at the Paint-A-Rock, Pumpkin Decorating, Craft Tables and Guided Walking Tours programs
- Working at the Gift Shop and Gift Shop wagon on Ayres Lawn
- Staffing the "BIG BUGS" Hot Line Phones
- Stuffing envelopes for the many "BIG BUGS" mailings
- Community distribution of posters and membership flyers

WE APPRECIATE ALL THAT YOU DID TO HELP US "GO BUGGY"! THANK YOU.

The Arboretum Newsletter is published by the Los Angeles Arboretum Foundation. The Arboretum of Los Angeles County is jointly operated by the Los Angeles Arboretum Foundation and the County of Los Angeles.

Welcome To Five Fabulous New Staff Members

Five new staff members have come on board. Be sure to stop by and say hello to each of them.

Meet Lou Ocampo!

Membership Services

You can find Lou in the Membership office putting his strong organizational and development skills to work. Lou brings over 10 years of community service with him to his position at The Arboretum including experience in finance, fund raising events, program development, and public speaking. Lou holds a Bachelor of Arts in Psychology from the University of California.

Meet Nancy Pirovano!

Administrative Assistant

You can find Nancy in the Membership office also. Nancy comes to the Arboretum from Azusa Pacific University where she was most recently Undergraduate Records Coordinator. Nancy's administrative experience is vast including work in database management, conference and special events planning, secretarial support and coordination, publicity and promotional materials development. Nancy holds a BS from Azusa Pacific University (magna cum laude).

Welcome to our 3 new Plant Nursery Workers.

Nursery Workers take care of all of the many nurseries, as well as the Begonia and Orchid Greenhouses. They are also responsible for the propagation of many of The Arboretum's collections and the Baldwin Bonanza plant offerings and growing many of the plants for research purposes. Meet our new Plant Nursery Workers!

Meet Tracy Garriga!

Tracy most recently worked at South Coast Botanic Garden prior to coming to The Arboretum. In addition to caring for The Arboretum plants, Tracy is currently studying for her degree in horticulture at Cal Poly.

Meet Tanya Finney!

Tanya has a Masters in botany from the University of Maryland, College Park and a Bachelors degree from UC Davis. While at UC Davis, Tanya worked in the greenhouse.

Meet Sherry Tobin!

Sherry comes to The Arboretum from Mount SAC where she served as propagator for four years. Sherry is also working on her Bachelors degree at Cal Poly.

Baldwin Bonanza 2001 Sale & Celebration

May 4-5-6, 2001

Baldwin Bonanza 2001 brings 2001 reasons to join our 31st Festival of Plants Sale and Celebration. This outdoor event will take place at The Arboretum, beginning Friday night, May 4, with the reservation only Preview Party, Silent Auction and

Plant Sale Fundraiser. The public plant sale on Saturday and Sunday, May 5 & 6, will be from 9:00AM to 4:30PM each day.

Over 2001 plants will be available for purchase including many of the 100 plus flowering plant varieties that have been cultivated and released to the public by The Arboretum over the years. In addition, plants from many of our area's esteemed nurseries will also be available for purchase. Your choices will be endless, including the traditional favorites—roses, cacti, geraniums, flowering trees, a large assortment of perennials, and many other unique offerings.

"Garden Vignettes" will again highlight Baldwin Bonanza 2001. This year there will be more vignettes of more diverse presentations. Learn how to plan a Quiet Garden. Or, see what a Small Space garden or an Indoor Garden might look like. Fragrant Gardens, Flower Box Gardens and Walkway & Pathway Gardens will all present unique ideas for consideration no matter the size of your garden area.

Finally, this year many educational programs for adults, children and the whole family will be presented throughout both days, including cooking demonstrations, perfect for that Bar-B-Que, Patio or Entertaining Garden.

The Friday Preview Party & Silent Auction Fundraiser will kick-off Baldwin Bonanza 2001. Guests will have the "first chance" opportunity to purchase plants, dine al fresco and bid on many unique Silent Auction offerings.

MARK YOUR CALENDARS and plan to join us for this wonderfully fun event. As it is our major Fundraiser for 2001, we hope you will all turn out to support YOUR Arboretum.

Just for Kids

Model Horse Exhibit

February 3 & 4, 2001

The annual South Coast Classic Model Horse Exposition will be held at The Arboretum. Come see scale horse models sculpted from scratch or altered from a factory produced piece. Vintage model horses will also be displayed. Miniature scenes of show jumping, barrel racing, trail riding along with handmade realistic miniature saddles, bridles, harnesses and riders will be on display. Exhibit hours are 10:00 AM to 4:00 PM.

What I like about the Arboretum!

Many thanks to Connie Douglas's Young Naturalists for sharing "what they like best" about The Arboretum:

I like the flowers, trees and animals. *Kelvin*

I like the peacocks and the Queen Anne Cottage. *Sunnie*

The classes are cool, especially the walks around the forest. *William*

I love to go on adventures to explore the jungle. *Vivian*

I like the birds. It was so amazing. I saw some great poses. The cool birds like a kingfisher, Canadian Geese and a Great Blue Heron. *Charles*

The Arboretum is a place where many friendships begin, adventures happen, learning is fun and interesting, and things happen that create memories to last a lifetime. Even now my whole family can still remember when my big brother came to the Arboretum and met his first peacock. They both just stood there staring at teach other with a look on their face like "What in the world could this strange thing be?" both frightened, fascinated and curious all at the same time. The plants and animals at the Arboretum are glorious and when you're with them you sometimes feel like you're one of them. If you go up to a tree and put your ear to it, you can hear a soft, musical voice in the wood. In a sentence, the Arboretum is fabulous, outstanding-HOME. *Alia Kei*

March 31, 2001 • 9:00AM to 4:00PM

NEW MEMBER EVENT

TAI CHI IN THE GARDEN

EVERY TUESDAY AND FRIDAY MORNING

Meditative exercises for the body and mind now can be found at The Arboretum with this new free member program, Tai Chi in the Garden, every Tuesday and Friday morning from 7:00 AM-8:30 AM. Begin your day by renewing yourself with instructor Marvin Quon. Sessions will be conducted on the lawn between the two fountains just south of the main parking lot, near the Baldwin Avenue entrance.

Instructor Marvin Quon practices Tai Chi movements in front of the fountain at The Arboretum.

Tai Chi is best thought of as a moving form of meditation with most of the Tai Chi exercises performed in slow, soft and graceful movements. Tai Chi strives to foster a calm and clear mind and teach about balance, alignment and the rhythm of movement.

Marvin Quon, born and raised in Hong Kong, moved to Los Angeles when he was eighteen. Sifu Marvin began his martial art training at the early age of 13 in the Chow Ga Style under Master Lee Oug. He changed to learn Choy Lee Fut from Master Doe Sum prior to coming to the U.S.

In the U.S. Sifu Marvin furthered his study in martial arts under Master Johnny So, third generation decendant of the late "Iron Palm" Master Koo Ye Cheung in the Northern Shaolin Style.

In 1980, Sifu Marvin was exposed to the internal art of Yang style Tai Chi Chuan, Hsing-I and Qi-Kung from Master Wong Yu Wa and became the best student of the system. In the 90's, Master Marvin furthered his study with Master Jiang Hoa Quan in Chinese Wrestling, Boxing, Chan Style Tai Chi Chuan and Pa Kua. Finally in 1999, Master Marvin met Mater Su Dong Chen, one of the top 11 fighters in Japan, and learned the "Essence of Evolution" from Master Su.

For more details on this new program, see the enclosed Calendar Section of this newsletter.
